

PARANYMPH

Meaning: Paranymp: a person, often a close friend or relative, who supports and assists the bride and groom during a wedding ceremony.

1. The paranymp stood proudly beside the couple, ready to support them on their special day.
2. Traditionally, the paranymp plays a crucial role in Greek weddings, acting as a guardian of the bride and groom.
3. During the ceremony, the paranymp presented the rings with great reverence and enthusiasm.
4. As a close friend of the bride, the paranymp took her duties seriously, ensuring everything went smoothly.
5. At the reception, the paranymp delivered a heartfelt toast that brought smiles and laughter to all the guests.
