

PAROCHIALITY

Meaning: Parochiality refers to a narrow or limited outlook, often focused on local or trivial concerns rather than broader, more global issues.

1. Her parochiality often led her to overlook broader societal issues that demanded attention.
2. The committee's decisions were criticized for their parochiality, lacking a global perspective on the problem.
3. His parochiality made it difficult for him to connect with colleagues from different cultural backgrounds.
4. The novel explores themes of parochiality and the struggles of characters who yearn for a wider worldview.
5. In a world so interconnected, parochiality can hinder progress and understanding among diverse communities.
