

PARTISANSHIP

Meaning: Partisanship is the strong allegiance to a particular political party or ideology, often resulting in biased judgment and division.

1. Partisanship often clouds judgment, making it difficult for lawmakers to reach consensus.
2. In today's political climate, partisanship has intensified, leading to increased polarization among voters.
3. The journalist criticized the analysis for its clear partisanship, arguing that it lacked objectivity.
4. Efforts to bridge the divide are often hindered by entrenched partisanship on both sides of the aisle.
5. Voter turnout can be significantly influenced by the level of partisanship within a given election cycle.
