

# PASCHAL

*Meaning: Paschal refers to the period related to Easter, particularly in relation to the Paschal full moon, which helps determine the date of Easter celebrations.*

1. The Paschal full moon can determine the date of Easter each year.
2. During the Paschal season, many families gather to celebrate with special meals.
3. The Paschal lamb is a significant symbol in many religious traditions, representing sacrifice.
4. She wore a beautiful Paschal dress adorned with lilies and symbols of spring.
5. In his sermon, the pastor spoke about the importance of the Paschal mystery in Christian faith.
