

PASSAGE

Meaning: Passage: a narrow way or corridor that allows movement between spaces, or a section of written text.

1. The narrow passage between the two buildings was barely wide enough for a person to squeeze through.
2. The author wrote a poignant passage that captured the essence of human struggle and resilience.
3. As the ship sailed through the passage, the crew marveled at the stunning cliffs rising on either side.
4. She found a hidden passage in the old library that led to a long-forgotten room filled with ancient books.
5. The passage of time has a way of changing our perspectives and altering our memories.
