

PASTORIUM

Meaning: Pastorium: a building or space associated with a church, typically used for the residence of a pastor and for community gatherings.

1. The pastorium was filled with the scent of fresh flowers and the warmth of community gatherings.
2. During the annual church fair, the pastorium served as a hub for fellowship and fun activities.
3. After the service, the congregation often gathered in the pastorium for refreshments and conversation.
4. The pastorium, once a private residence, now welcomed all who sought guidance and support.
5. Volunteers transformed the pastorium into a cozy space for Bible study and prayer meetings.
