

PATRIARCHY

Meaning: Patriarchy is a social system in which men hold primary power and authority, often leading to the subordination of women and the reinforcement of gender inequalities.

1. The concept of patriarchy has been a significant topic in feminist theory and activism.
2. Many societies have historically operated under a patriarchal system that privileges men over women.
3. Challenging the patriarchy requires collective efforts to dismantle deep-rooted societal norms.
4. In a patriarchy, power and authority are typically concentrated in the hands of older males.
5. The rise of women's rights movements has sparked important conversations about dismantling patriarchy.
