

PATRICIANISM

Meaning: Patricianism is a belief system or social ideology that emphasizes the values and privileges of an aristocratic class, often characterized by a commitment to tradition and a hierarchical social structure.

1. Patricianism often evokes the ideals of an aristocratic heritage that values tradition and social hierarchy.
2. In the novel, the protagonist struggles against the pervasive patricianism that defines his upbringing and societal expectations.
3. Critics argue that patricianism can undermine democratic values by promoting elitism over egalitarian principles.
4. The patricianism of the ruling class was evident in their disdain for the working masses during the political upheaval.
5. Embracing patricianism can lead to a sense of superiority that isolates individuals from the broader community.
