

PATRONIZE

Meaning: To treat someone with an apparent kindness that betrays a feeling of superiority; to condescend.

1. She felt uncomfortable when he began to patronize her in front of their colleagues.
2. It's frustrating when people patronize you instead of treating you as an equal.
3. The store aims to attract a diverse clientele, not to patronize any specific group.
4. His tendency to patronize the younger employees made him unpopular among the team.
5. Rather than patronize the art exhibit, she decided to genuinely engage with the artists.
