

PATRONLESS

Meaning: Patronless: lacking customers or visitors; empty of patrons.

1. The once bustling café now stands patronless, its chairs collecting dust in the afternoon light.
2. In a city full of vibrant nightlife, the bar remained eerily patronless on a Friday night.
3. The artist found inspiration in the patronless gallery, where silence spoke louder than any applause.
4. Despite its prime location, the restaurant remained patronless, struggling to attract a steady clientele.
5. Walking through the patronless streets, she felt a sense of nostalgia for the lively gatherings of the past.
