

PEAGE

Meaning: Peage (noun): a fee or toll paid for the use of a road or motorway.

1. The peage on the motorway was higher than we expected, so we had to adjust our budget for the trip.
2. As we approached the toll booth, we prepared to pay the peage for the scenic route we had chosen.
3. Drivers often complain about the peage system, arguing that it adds unnecessary costs to their journeys.
4. After crossing the bridge, we encountered another peage, a reminder of the extensive toll network in the region.
5. To avoid the peage, we decided to take the longer but free backroads through the countryside.
