

PEAHEN

Meaning: A peahen is a female peafowl, characterized by its more muted coloration compared to the male, which helps it blend into its surroundings.

1. The peahen quietly grazed in the shade of the large banyan tree.
2. Unlike the vibrant peacock, the peahen displays more subdued colors for camouflage.
3. As the sun began to set, the peahen called out, signaling her chicks to return.
4. In Indian mythology, the peahen is often associated with beauty and grace.
5. At the wildlife sanctuary, visitors were delighted to spot a peahen with her young chicks.
