

PEDANTOCRACY

Meaning: Pedantocracy refers to a system or environment where excessive emphasis on minor details and strict adherence to rules and formalities dominate, often hindering creativity and broader understanding.

1. The rise of pedantocracy in the educational system stifles creativity among students.
2. In a pedantocracy, the emphasis on minute details can often overshadow the broader picture.
3. Critics argue that a pedantocracy leads to a culture where innovation is sacrificed for rigid adherence to rules.
4. The novel portrays a society governed by pedantocracy, where scholars rule with an iron grip on knowledge.
5. Many fear that the increasing prevalence of pedantocracy in politics undermines effective governance.
