

PEDESTRIANISM

Meaning: Pedestrianism is the practice or promotion of walking as a primary mode of transportation in urban environments.

1. Pedestrianism has become increasingly popular as cities prioritize walkability in their urban planning.
2. The rise of pedestrianism in urban areas promotes healthier lifestyles and reduces reliance on cars.
3. Advocates for pedestrianism argue that it enhances community interaction and safety in public spaces.
4. Many cities are implementing policies that support pedestrianism by expanding sidewalks and creating car-free zones.
5. Pedestrianism not only benefits individuals but also contributes to environmental sustainability by lowering carbon emissions.
