

PEDOBAPTIST

Meaning: Pedobaptist refers to a belief system or tradition that advocates for the practice of baptizing infants as a means of including them in the covenant community and signifying God's promise to families.

1. The pedobaptist tradition emphasizes the importance of baptizing infants to include them in the covenant community.
2. Many churches that identify as pedobaptist believe that baptism is a sign of God's promise to families.
3. A pedobaptist view of baptism often contrasts sharply with the beliefs held by those who practice believer's baptism.
4. In discussions about theology, the pedobaptist stance is frequently highlighted as a significant aspect of covenant theology.
5. The pedobaptist practice has historical roots in the Reformation, where it was defended by various theologians.
