

# PENALTY

*Meaning: A penalty is a punishment or consequence imposed for violating a rule or law, often involving a fine, loss of privileges, or a specific sanction in sports or legal contexts.*

1. The referee issued a penalty after the player was fouled inside the box.
2. She faced a hefty penalty for her late submission of the project.
3. In some sports, the penalty for a serious foul can change the outcome of the game.
4. The penalty for exceeding the speed limit can include fines and points on your license.
5. He received a penalty of community service for his involvement in the incident.
