

PERIECIANS

Meaning: Periecians: a class of free, non-citizen inhabitants in ancient Greek city-states, particularly associated with Sparta, who engaged in trade and contributed to the local economy.

1. The Periecians were known for their unique social structure within ancient Greek city-states.
2. Many historians argue that the Periecians played a crucial role in the economy of Sparta.
3. Unlike the Spartans, the Periecians were free but did not possess full citizenship rights.
4. The Periecians often acted as intermediaries between the ruling class and the helots.
5. Archaeological findings suggest that the Periecians had their own distinct cultural practices and traditions.
