

PERNOR

Meaning: Pernor: a person or entity that holds or possesses land, particularly in the context of legal ownership or lease agreements.

1. The pernor of the land ensured that all farming practices adhered to sustainable methods.
2. After months of negotiation, the pernor finally agreed to the new lease terms proposed by the tenants.
3. In this case, the pernor holds significant power over the decision-making process for the community.
4. As the pernor, she had the authority to grant or deny access to the vital resources on the estate.
5. The pernor's influence extended beyond just land management; it shaped the very culture of the region.
