

PERSONATOR

Meaning: A personator is a performer who imitates the voice, mannerisms, or appearance of another individual, often for entertainment purposes.

1. The skilled personator captivated the audience with her flawless imitation of the famous singer.
2. Many people were surprised to learn that the personator had once worked as a voice actor for animated films.
3. In a world of deep fakes, the line between reality and a personator's craft can often become blurred.
4. At the party, the personator drew laughter and applause by mimicking the host's distinctive mannerisms.
5. A successful personator must not only master vocal techniques but also understand the nuances of body language.
