

# PETTINESS

*Meaning: Pettiness refers to the quality of being trivial or insignificant, often characterized by an excessive concern for small, unimportant details.*

1. Her constant focus on pettiness made it difficult for the team to work together effectively.
2. Instead of addressing the issue, he chose to dwell on the pettiness of their disagreement.
3. Pettiness can overshadow important relationships if one is not careful to rise above trivial matters.
4. The meeting devolved into a discussion of pettiness rather than solutions, frustrating everyone involved.
5. She realized that engaging in pettiness only served to harm her own reputation in the long run.
