

PHARISEE

Meaning: Pharisee: a person who is self-righteous or hypocritically adheres to strict religious or moral standards, often to the exclusion of compassion or understanding.

1. The scholar's rigid adherence to tradition made him seem like a modern-day Pharisee.
2. In her critique of the policy, she warned against the dangers of becoming a Pharisee in our approach to reform.
3. He was often accused of being a Pharisee, as he prioritized rules over empathy in his leadership style.
4. The debate revealed a stark divide between those who embraced compassion and those who mirrored the Pharisee's legalism.
5. To his friends, his moral superiority felt reminiscent of a Pharisee, lacking genuine humility and understanding.
