

PHEASANTRY

Meaning: Pheasantry refers to a place where pheasants are bred or kept, often characterized by a natural setting that supports their habitat.

1. The lush pheasantry behind the estate offered a serene backdrop for their afternoon picnic.
2. As the sun set, the pheasantry came alive with the vibrant colors of the birds taking flight.
3. Visitors to the nature reserve marveled at the diversity of species in the newly established pheasantry.
4. The conservation team worked tirelessly to maintain the pheasantry, ensuring a safe habitat for the birds.
5. Photographers flocked to the pheasantry to capture the stunning plumage of the exotic pheasants.
