

PIAZZA

Meaning: Piazza: a public square or open space in a city or town, often surrounded by buildings and used for social gatherings and activities.

1. The charming piazza was bustling with locals enjoying their afternoon coffee.
2. As the sun set, the piazza transformed into a magical space lit by twinkling lights.
3. Artists often gather in the piazza to showcase their talents and attract enthusiastic crowds.
4. We found a quaint restaurant tucked away in the corner of the lively piazza.
5. Children played joyfully in the piazza, their laughter echoing against the historic buildings.
