

PILE-WORN

Meaning: Pile-worn refers to a fabric or carpet that has become worn down and frayed, particularly in its pile, due to extensive use or washing.

1. The carpet in the old library was noticeably pile-worn, its fibers thinning under years of foot traffic.
2. Her favorite sweater was pile-worn from countless washings, yet she couldn't bear to part with it.
3. The pile-worn edges of the vintage book hinted at its long history and the many hands that had turned its pages.
4. After years of use, the once plush rug now looked pile-worn, but it still held sentimental value.
5. The pile-worn chair had been a family heirloom, cherished despite its frayed upholstery.
