

PINNACE

Meaning: A pinnacle is a small boat or vessel, often used for fishing or as a tender to larger ships, typically equipped with sails or oars.

1. The fishermen set out early in their pinnacle to catch the morning tide.
2. During the historical reenactment, the crew demonstrated how to navigate a pinnacle with traditional sails.
3. The small pinnacle bobbed gently on the waves as the sun began to rise over the horizon.
4. He preferred the nimble pinnacle for exploring the narrow coastal inlets during his summer vacations.
5. Built for speed and agility, the pinnacle was perfect for evading larger ships in stormy weather.
