

PIROGUE

Meaning: A pirogue is a lightweight, narrow canoe traditionally made from a single tree trunk, often used for fishing or navigating rivers.

1. The fisherman paddled his pirogue along the tranquil river, skillfully navigating the winding bends.
2. During the festival, a colorful pirogue decorated with flowers floated gracefully in the harbor.
3. As the sun set, the group set out in their pirogue to catch fish under the fading light.
4. The locals often use a pirogue to transport goods between the small islands dotting the coastline.
5. With its shallow draft, the pirogue was perfect for exploring the mangroves without fear of getting stuck.
