

PITPAT

Meaning: Pitpat refers to a light, soft sound, often associated with gentle tapping or pattering, such as the noise made by raindrops or small footsteps.

1. The soft pitpat of raindrops on the roof lulled her to sleep.
2. As the children played in the garden, their laughter mixed with the pitpat of their tiny feet on the grass.
3. In the quiet of the forest, the pitpat of a squirrel darting through the leaves broke the silence.
4. He listened closely to the pitpat of her heart as they shared a tender moment together.
5. The pitpat of the drum kept the rhythm lively throughout the entire performance.
