

# PLAGE

*Meaning: Plage: a beach or shore, especially one characterized by sand or pebbles.*

1. The children played happily on the sandy plage, building castles and collecting seashells.
2. After a long day of exploring the coastline, we relaxed on the tranquil plage as the sun set.
3. The small plage was dotted with colorful umbrellas, providing shade for sunbathers enjoying the warm weather.
4. We discovered a hidden plage that was perfect for a private picnic away from the tourist crowds.
5. As we walked along the picturesque plage, the sound of the waves crashing was incredibly soothing.
