

PLANTAGE

Meaning: Plantage: a large estate or farm, especially one where crops such as sugarcane are cultivated.

1. The old plantage was known for its rich history and sprawling fields of sugarcane.
2. After years of neglect, the abandoned plantage was finally restored to its former glory.
3. Visitors to the island often take guided tours of the historic plantage to learn about its agricultural practices.
4. The plantage's location near the river made it ideal for irrigation and crop production.
5. Many artifacts from the plantage's past were discovered during the recent archaeological dig.
