

PLEADINGS

Meaning: Pleadings are formal written statements submitted to a court outlining the parties' claims, defenses, and legal arguments in a legal proceeding.

1. The attorney submitted the pleadings to the court in hopes of a favorable ruling.
2. During the trial, the judge reviewed the pleadings carefully before making a decision.
3. The defendant's pleadings outlined a compelling argument for dismissal of the charges.
4. In legal disputes, the clarity of pleadings can significantly impact the outcome of the case.
5. After weeks of preparation, they finalized their pleadings and filed them on time.
