

PLEBEIANISM

Meaning: Plebeianism refers to a cultural movement or attitude that emphasizes the values and aesthetics of the common people, often in opposition to elite or traditional standards.

1. The rise of plebeianism in contemporary art has challenged traditional notions of elitism.
2. Critics argue that plebeianism often overlooks the value of refined taste and cultural heritage.
3. In literature, plebeianism can give voice to the marginalized experiences often ignored by the elite.
4. The movement towards plebeianism in fashion reflects a growing desire for authenticity over designer labels.
5. Embracing plebeianism may foster a more inclusive society, bridging gaps between classes.
