

POLYGYN

Meaning: Polygyny is a marital practice in which a man is allowed to have multiple wives simultaneously.

1. The concept of polygyny is often discussed in anthropological studies of marriage practices around the world.
2. In some cultures, polygyny is accepted as a traditional practice, allowing men to have multiple wives.
3. The dynamics of polygyny can significantly impact family structure and social relationships within a community.
4. Critics of polygyny argue that it can perpetuate gender inequalities and affect women's rights.
5. Polygyny is distinct from polyandry, where a woman has multiple husbands, highlighting different cultural approaches to marriage.
