

POPERY

Meaning: Popery refers to the practices, doctrines, and authority associated with the Roman Catholic Church, often viewed critically by Protestant reformers.

1. The debate over popery often ignites passionate discussions among religious scholars.
2. Many viewed the reforms as a necessary counter to the perceived excesses of popery in the church.
3. Critics of popery argued that it undermined the fundamental principles of Protestantism.
4. Historical texts reveal how the term 'popery' was used as a pejorative against Catholic practices.
5. In some regions, a strong anti-popery sentiment led to political upheaval and social change.
