

PORTICO

Meaning: A portico is a covered entrance or porch, typically supported by columns, that provides shelter and enhances the architectural style of a building.

1. The grand portico of the mansion was adorned with intricate columns.
2. As we approached the entrance, the elegant portico provided shelter from the rain.
3. The portico's wide steps invited guests to linger and admire the garden.
4. Sunlight filtered through the beams of the old portico, creating a warm glow.
5. She often sat on the porch under the portico, enjoying her morning coffee in peace.
