

POSTCOMMUNION

Meaning: Postcommunion refers to the period or service in a Christian liturgy that occurs after the reception of communion, often involving reflection, prayers, or additional worship.

1. The priest offered a reflective sermon during the postcommunion, encouraging the congregation to contemplate their faith.
2. During the postcommunion, the choir sang a haunting melody that filled the church with a sense of peace.
3. Many parishioners find solace in the moments of silence that follow the postcommunion prayer.
4. The community gathered for a fellowship meal after the postcommunion, strengthening their bonds of friendship.
5. In the liturgy, the postcommunion service serves as a pivotal moment for spiritual renewal and reflection.
