

POTAGER

Meaning: A potager is a garden designed for growing a variety of vegetables, herbs, and flowers, often arranged in an aesthetically pleasing manner.

1. The potager was bursting with fresh herbs and vegetables, ready for the evening's feast.
2. She decided to transform part of her backyard into a charming potager, filled with colorful blooms and tasty produce.
3. In the spring, the potager came alive with vibrant greens and fragrant flowers, attracting bees and butterflies.
4. He spent the weekend tending to his potager, savoring the tranquility that gardening brought him.
5. The chef sourced ingredients directly from the potager, ensuring each dish highlighted the flavors of the season.
