

# POTHOLE

*Meaning: A pothole is a deep hole or depression in a roadway caused by wear, weather, or poor maintenance, often posing a hazard to vehicles.*

1. Driving over that pothole nearly made me spill my coffee all over the dashboard.
2. The city's budget for road repairs is insufficient to address the growing number of potholes.
3. She swerved to avoid a deep pothole that could have damaged her tire.
4. After the heavy rain, the pothole appeared almost overnight on our quiet street.
5. The town organized a community event to fix the potholes and improve local roads.
