

# PREAUDIENCE

*Meaning: Preaudience refers to a preliminary screening or event held before the official release of a film, often attended by critics and select audiences to generate anticipation and discussion.*

1. The preaudience for the film generated a buzz among critics and fans alike.
2. During the preaudience, the director shared insights about the film's production process.
3. Attending the preaudience event provided a unique opportunity to meet the cast and crew.
4. The marketing team organized a preaudience screening to gauge viewer reactions.
5. After the preaudience, the feedback was overwhelmingly positive, boosting anticipation for the release.
