

# PRECENTOR

*Meaning: Precentor: a person who leads a choir or congregation in singing, often responsible for directing musical worship in a religious setting.*

1. The precentor led the choir with a steady hand, ensuring that every note was perfectly in tune.
2. During the service, the precentor's commanding voice inspired the congregation to join in heartfelt worship.
3. In medieval cathedrals, the precentor often played a crucial role in the music ministry and liturgical celebrations.
4. The university's chapel appointed a new precentor, who brought fresh energy and creativity to the choral program.
5. As the precentor stepped forward to begin the hymns, the atmosphere in the room shifted to one of reverence and anticipation.
