

PREDELLA

Meaning: A predella is a decorative panel or series of panels, typically located at the base of an altarpiece, often depicting scenes related to the main subject.

1. The artist chose to paint a predella that depicted the life of the saint in vivid detail.
2. During the restoration, the conservators uncovered a hidden predella beneath the main altar.
3. Many altarpieces feature a predella, which serves to enhance the overall narrative of the artwork.
4. The museum's collection includes an exquisite predella from the Renaissance period, showcasing intricate craftsmanship.
5. Art historians often analyze the themes represented in the predella to gain insights into the cultural context of the time.
