

PRELATE

Meaning: A prelate is a high-ranking member of the clergy, typically a bishop or archbishop, who has authority within the church and may also wield political influence.

1. The prelate delivered an impassioned sermon that resonated with the congregation.
2. In the medieval church, a prelate often held significant political as well as spiritual power.
3. The dignified prelate walked through the cathedral, his presence commanding respect from all who saw him.
4. During the council, the prelate spoke eloquently about the need for reform within the church.
5. The prelate's robes, richly adorned, reflected his high status within the ecclesiastical hierarchy.
6. The prelate addressed the congregation with a message of hope and unity.
7. During the ceremony, the prelate bestowed blessings upon the newly appointed clergy.
8. Historically, a prelate often held significant political power alongside their religious authority.
9. The prelate's eloquent sermon inspired many to reflect on their spiritual journeys.
10. In his capacity as a prelate, he traveled extensively to oversee various dioceses.
