

PREMIERSHIP

Meaning: Premiership refers to the highest division or league in a particular sport, especially in football (soccer), where teams compete for the championship title.

1. The team celebrated their first victory in the premiership with a triumphant parade.
2. Winning the premiership was a dream come true for the players and their loyal fans.
3. The coach outlined his strategy for maintaining the club's dominance in the premiership.
4. Television ratings soared as the premiership matches attracted viewers from around the world.
5. Injuries plagued several key players, jeopardizing their chances in the ongoing premiership season.
