PRENGAGEMENT

Meaning: Prengagement refers to a preliminary commitment or ceremony that a couple undertakes to signify their intention to engage, often involving discussions about their future together.

1. The couple decided to have a prengagement ceremony to celebrate their commitment before the official engagement.

2. During the prengagement phase, they focused on discussing their future goals and aspirations.

3. Friends often joked that their prengagement lasted longer than some people's actual engagements.

4. They opted for a prengagement photo shoot to capture their love before making any formal announcements.

5. The prengagement period allowed them to strengthen their bond and ensure they were ready for the next step.
