

PREORDER

Meaning: Preorder (verb): To place an order for a product before it is available for sale, often to secure a copy or receive it on the official release date.

1. You can preorder the latest smartphone to ensure you receive it on launch day.
2. The bookstore allows customers to preorder upcoming titles and guarantees a discount.
3. Many gamers are excited to preorder the limited edition of their favorite video game.
4. If you want to secure a spot in the next cooking class, don't forget to preorder your ticket.
5. The new album is available for preorder, with exclusive tracks for early buyers.
