

PRIVATEERSMAN

Meaning: A privateersman is a private individual or ship authorized by a government to engage in maritime warfare and attack enemy vessels during wartime.

1. The privateersman sailed under a letter of marque, legally authorized to attack enemy ships.
2. With his crew of skilled sailors, the privateersman sought fortune on the high seas during wartime.
3. The tales of the infamous privateersman spread throughout the coastal towns, inspiring both fear and admiration.
4. Although he operated legally, the privateersman often blurred the lines between piracy and patriotism.
5. Many privateersmen were celebrated as heroes in their home ports, despite their dubious methods of acquiring wealth.
