

PRODITOR

Meaning: Proditor refers to a traitor or betrayer, particularly one who switches allegiance in a conflict, often viewed with severe disdain.

1. The general felt betrayed, labeling his former ally as a proditor for switching sides in the conflict.
2. In ancient Rome, a proditor was seen as the ultimate traitor, deserving of the harshest punishments.
3. The secret documents revealed that one of the advisors was a proditor, leaking information to the enemy.
4. In literature, the proditor often serves as a cautionary figure, illustrating the dangers of betrayal.
5. The village had no mercy for the proditor, casting him out to face the consequences of his treachery.
