

PROROGATION

Meaning: Prorogation is the act of discontinuing a session of parliament without dissolving it, often to provide a break for lawmakers.

1. The prorogation of the parliament has sparked a debate about constitutional norms.
2. After much discussion, the prime minister announced a prorogation to give lawmakers a break.
3. Many citizens were concerned about the implications of the government's prorogation on ongoing legislation.
4. During the prorogation period, no new bills could be introduced or debated in the assembly.
5. The opposition criticized the prorogation as a tactic to avoid scrutiny during a crucial political moment.
