

PROSINESS

Meaning: Prosiness refers to a dull, commonplace quality in writing that lacks poetic or imaginative flair.

1. The prosiness of his writing overshadowed the poetic moments he occasionally achieved.
2. Despite its prosiness, the novel managed to convey deep emotional truths.
3. Her critique highlighted the prosiness that often plagued contemporary poetry.
4. The prosiness of the report made it difficult to stay engaged in the subject matter.
5. In an effort to avoid prosiness, the author infused her prose with vivid imagery and strong metaphors.
