

PROSIT

Meaning: "PROSIT" is an expression used to toast or wish good health, often accompanied by raising glasses in celebration.

1. After a long day of work, we raised our glasses and toasted with a hearty "Prost!" to celebrate our accomplishments.
2. At the wedding reception, guests clinked their glasses and cheerfully exclaimed "Prost!" to wish the couple a lifetime of happiness.
3. In the traditional German beer garden, the atmosphere was filled with laughter as friends shouted "Prost!" before taking their first sip of the evening.
4. As the new year approached, we gathered with friends and family, eager to shout "Prost!" at midnight to mark the joyous occasion.
5. The festive gathering was complete with a toast, where everyone joined in saying "Prost!" while enjoying their favorite brews.
