

# PROSPECTOR

*Meaning: Prospector: a person who searches for valuable minerals or resources, especially gold, in remote or rugged areas.*

1. The prospector spent months searching for gold in the rugged mountains.
2. After years of hard work, the prospector finally struck it rich with a significant find.
3. Many prospectors flocked to the area during the gold rush, hoping to change their fortunes.
4. The prospector's keen eye for valuable minerals set him apart from others in the field.
5. With his trusty pickaxe and pan, the prospector was ready to explore the riverbanks for hidden treasures.
